ZAMAC

EM15

Bain de soleil poétique  
qui s'amuse à confondre  
l'intérieur et l'extérieur, le  
Zamac se joue des codes  
et offre une vision nouvelle  
et futuriste de la chaise longue.

Highly-poetic sun lounger  
which likes to mingle indoor  
and outdoor, the Zamac  
plays with styles and offers an  
incomparably futuristic vision  
of the lounger.

Die poetische Sonnenliege  
Zamac verwischt gekonnt  
die Grenzen zwischen  
Innen- und Außenbereich.  
Sie wirft althergebrachte  
Codes über Bord, um eine  
neue und futuristische Vision  
des Liegestuhls anzubieten.

Una tumbona poética  
a la que le divierte confundir  
el interior y el exterior, el  
modelo Zamac se ríe de  
las normas y ofrece una  
visión nueva y futurista  
de la "chaise longue".

Poetico lettino prendisole  
che si diverte a confondere  
interno e esterno, Zamac si  
prende gioco delle regole  
offrendo una visione inedita  
e futurista della sedia a sdraio.

Suggérer l'élegance, susciter l'envie par des formes pures et des matières nobles, pour qu'émotion et séduction soient durables.

La difficulté, et parfois la satisfaction, d'approcher cet objectif donnent toute son intensité à notre métier de créateur.

To suggest elegance and generate desire with pure shapes and noble materials, so that the emotion and beauty are long-lasting. It is the challenge, and sometimes the satisfaction, of reaching this objective that make my profession as a creator so exciting.

Durch reine Formen und edle Materialien Eleganz suggerieren und Lust erwecken, damit Emotion und Verführungskraft langfristig von Bestand sind. Die Schwierigkeit, und bisweilen die Befriedigung, sich diesem Ziel anzunähern, machen meinen Beruf als Designer so spannend.

Sugerir la elegancia y suscitar el deseo a través de formas puras y materiales nobles para que la emoción y la seducción sean duraderas.

La dificultad y también la satisfacción de alcanzar estos objetivos dan toda la intensidad a mi oficio de creador.

Als zeitgenössische Vision der typischen Strandkabinen interpretieren die Satzkabinen das traditionelle Design der Holzhütten neu und verwandeln sie in ein verspieltes und einladendes Außenmöbel.

Visiones contemporáneas de una figura emblemática de la orilla del mar, las cabinas nido adaptan el diseño tradicional de las cabañas de madera a un mobiliario de exterior lúdico y familiar.

Visione contemporanea di una figura emblematica del lungomare, le cabine ad incastro interpretano il design tradizionale della cabina in legno in un arredo da esterno gioioso e conviviale.
